

REMARKS

Applicant respectfully requests reconsideration of the application. Applicant believes that claims 1, 2, 6, 10, 11 and 15 are patentable over the cited art for the reasons stated in the last response. However, Applicant has opted to reserve its right to pursue these claims in a related application. Therefore, the rejection is moot, and the application should be in condition for allowance.

An IDS accompanies this response and includes recently discovered prior art. Thus, Applicant has submitted a certification and has paid the appropriate fee to have the IDS considered.
